

#### 4 YAHUSHA WILL END ALL MEN'S GOVERNMENTS

Natsarim are sent to awaken the inhabitants of this Earth to prepare for the return of their Creator, YAHUSHA.

***Flesh and blood shall not inherit the reign of Yahuah.***

We carry a simple message: ***“Repent (turn & obey); the reign of Yahuah draws near.”***

People have heaped-up many teachers to say what their itching ears want to hear.

They have a form of piety, but deny its power - they study without the *key of knowledge*.

Psalm 79:6 warns us of a very heavy penalty for failing to call on Yahuah's Name.

***Translators admit removing His Name in their prefaces!***

"Pour out Your wrath on the nations who do not know you, and on reigns that have not called on Your Name."

If you do not call on His Name, why would He care to call you by your name? Yahusha will

one day tell many people, "Depart from Me, I never knew you." Ask **Yahusha** to open your eyes now if you don't know Him. He's always there waiting.

The **unbelieving** and the **disobedient** will both face the same unexpected ending.

We have to consider the end of the matter, and that is found at Revelation 22:14.

***Obey the Commandments of love.***

The reason they are misled is because of their *teachers*.

To re-start your mind, read the preface of your translation with an openness to find the Truth, and to know the Name of the real Creator, not the imposter.

What you will find there will shock you. Yahuah does not have *“many names”* as the liars have told you. There is only ONE Name that can deliver us.

# GEORGIA GUIDESTONES

**GLOBALISTS HAVE PLANS TO SELECT WHO LIVES & DIES**

**HUMANISM: A RELIGION OF HUMAN MANAGEMENT**  
**POPULATION CONTROLS FOR REPRODUCTION, BEHAVIOR**

Elbert County, Georgia, USA

**ONE WORLD GOVERNMENT**

**GEORGIA GUIDESTONES**  
**NEW WORLD ORDER'S COMMANDMENTS**

**1. Maintain humanity under 500,000,000 in perpetual balance with nature.**

Note this is about population control for a sustainable, equitable, manageable society. This is why abortion is such a huge issue for them to keep legal. They will have to murder much more than the unborn to achieve their goals. They are concerned about the limited natural resources and current rates of consumption. They

may direct viral pandemics to which a selected few will be immune.

**2. Guide reproduction wisely - improving fitness and diversity.**

Notice this wording softens the idea of *eugenics*.

**3. Unite humanity with a living new language.**

**4. Rule passion, faith, tradition, and all things with tempered reason.**

This means revising the record

## 2 BECAUSE OF THE INCREASE IN LAWLESSNESS,

of history. Those they perceive to be religious fanatics will be cured or eliminated.

**5. Protect people and nations with fair laws and just courts.**

**6. Let all nations rule internally resolving external disputes in a world court.**

The Hague is already set up as the NWO court.

**7. Avoid petty laws and useless officials.**

**8. Balance personal rights with social duties.**

Be productive or you are a burden, and will be eliminated - a Nazi-styled cleansing.

Are human rights contingent on one's value to society?

**9. Prize truth - beauty - love - seeking harmony with the infinite.**

**10. Be not a cancer on the Earth - Leave room for nature - Leave room for nature.**

These 10 instructions are the words inscribed on the Guide Stone. The UN has many Initiatives well underway.

The plan for a common world language, economy, one universal morality code, managed by **humanistic overlords**.

The selective reduction of 95% of the global population is also underway. Disease, starvation, and widespread warfare will all play a part in the near future.

The masses have no idea the master plan is well-underway. Humanity's enemy is a spiritual one, directing creation's demise. The powerful elite are slowly tightening control of everyone on the planet. They promote their agenda to the masses as a path to become sustainable, but it will result in a world of jealousy, inequity, & authoritarian power in the hands of very few elitists. It's a long-con, and knowledge of the Truth is their greatest threat.

### Regimini Militantis Ecclesiae

Jesuit priests headed all the departments in Nazi Germany. The dictator held all power, and convinced the masses that *national socialism* would solve all the problems for everyone.

## THE LOVE OF MANY SHALL BECOME COLD

**The real plan was genocide.**

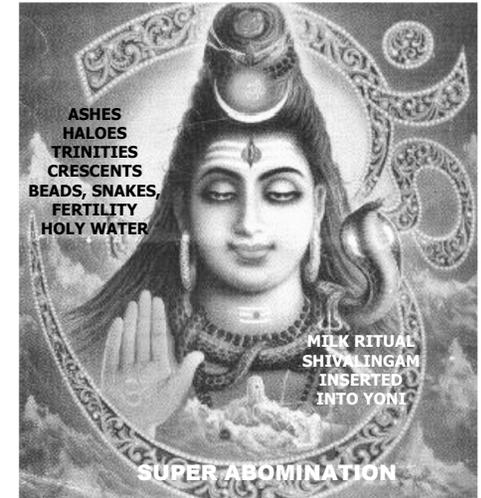

The improvement of man was put on the fast track, so the task to produce the ideal man, the Superman, was believed to be achievable through breeding.

*Superman* and other comics were used as propaganda tools to fight against Nazism during WWII.

### Genocidal Socialism

While the USSR employed *economic* socialism, Germany employed **genocidal** socialism. The final solution marked wide swaths of populations for death: first the Yahudim, then all those dark-skinned, Asians, and all those not of Aryan descent were planned for extermination.

The master plan was, and still remains, to purge the old, weak,

unproductive, and those with defective or inferior breeding. They planned to improve the gene pool by selecting-out the best, and killing the rest they considered to be a drain on society. **Nothing has changed.**

Similar goals are expressed in the writings of the eugenicist Margaret Sanger, founder of Planned Parenthood,

**Eugenics** has been more than only planned, but on-going.

The Star Trek episode **Space Seed** lead to more movies, and books to keep the idea on the agenda. People are easy to program with propaganda. The eastern cultures worship ascended beings with blue skin using statues, chants, and cartoons.

We worship the Creator, and He is ONE Yahuah. We're **Natsarim**, and we're here to help, not embarrass anyone.
